What are the Sammies?

The Sammies are FMT's light-hearted version of the Oscars and Tony Awards rolled into one extravaganza! Awards range from best actor to best line mishap! The show includes special musical performances, dance numbers, and large choreographed musical numbers.

This year the Sammies show is an official benefit event for FMT. Tickets are not sold-admission is by donation. All funds raised will help FMT continue producing quality musical theatre for the entire family.

Come support FMT and join us for a night of entertainment!
